Natural gas rates for commercial and farm customers

The Public Service Commission of Wisconsin (PSCW) approved new natural gas base rates effective Jan. 1, 2024 (docket 6680-UR-124). The average impact of the adjustment across all customer rate classes is approximately 4.8 percent. Actual costs will vary depending on your rate class and natural gas usage. At Alliant Energy, we continue to make smart investments that create a cleaner, safer and more reliable energy future. Consistent with our long-range strategic plan, these investments will increase customer value and ensure the continued delivery of cost-effective energy for years to come.
