Re: BEAD Round One Sub-Granting Selection Process to Begin

5-BD-2025

On Monday January 13, 2025, the Commission will begin accepting BEAD project applications from entities with an approved Letter of Intent (LOI). Consistent with the process outlined in Wisconsin's Initial Proposal Volume 2 ([PSC REF#: 510389](#)), Round One applications will be accepted for both priority and non-priority projects. Round One applications will only be accepted through the closed BEAD Grant Award Platform. Round One applications are due Tuesday, February 25, 2025, by 4:59 p.m. C.T.

Prior to the opening of the grant round, the Commission received and reviewed BEAD LOI materials. In accordance with the evaluation process detailed in the State of Wisconsin's approved Initial Proposal Volume 2 and the [LOI Instructions](#), the Commission has approved the 30 entities listed in Attachment 1 below to participate in the BEAD Round One Sub-granting Selection Process in the State of Wisconsin.

The entities with an approved LOI have been invited to participate in the BEAD sub-granting selection process and to access the BEAD Grant Award Platform to submit project applications, subject to any conditions included as part of a provider's LOI approval. The Commission reserves the right to require additional or updated information from entities with an accepted LOI submission anytime in the BEAD grant process.

The Commission has published the [BEAD preliminary sub-grant application questions](#) and the [BEAD sub-granting Rules and Methods](#) documents in order to prepare eligible entities and share key documents with interested stakeholders. For further details on the BEAD sub-grantee selection process please visit the Commission's [BEAD Grant Program webpage](#). See docket [5-BD-2025](#) for all submitted BEAD LOI documentation.

For questions regarding the BEAD sub-granting process or other questions regarding the BEAD program, email: PSCBEADGrants@wisconsin.gov.

Sincerely,

Joe Fontaine
 Administrator
